Collect for Club Women

Keep us, O God, from pettiness, let us be large in
thought, in word, in deed.

Let us be done with fault-finding and leave off
self seeking.

May we put away all pretense and meet each
other face to face, without self-pity
and without prejudice.

May we never be hasty in judgment and always
generous.

Teach us to put into action our better impulses,
straightforward, and unafraid.

Let us take time for all things; make us grow
calm, serene, gentle.

Grant that we may realize it is the little things
that create differences; that in the big
things of life we are as one.

And may we strive to touch and to know the
great common woman's heart of us all, and,
O Lord, let us not forget to be kind.

MARY STUART, Colorado.

THE Ebell Society of the Santa Ana Valley owes its plan of organization and its inspiration to the Ebell of Oakland, California, which was founded by Dr. Ebell, of Berlin, in 1876. This gentleman was convinced that the great need of the feminine mind was the systematic study of the exact sciences, including music, art and languages. He therefore founded an "International Academy," with headquarters in Berlin, designing to establish "chapters" all over the world. The first of these was the result of a lecture delivered by him in Oakland. Dr. Ebell, dying shortly after this, the Oakland ladies decided to change their name to the Ebell Society, and to sever its connection with Berlin. The following year the system of study in classes was inaugurated, which has secured the permanence and success of the institution. In 1894, several members of the Oakland Society who had moved to Southern California united with the Los Angeles ladies to form an Ebell Society there. A month later the Ebell Society of the Santa Ana Valley was organized at a meeting called by Mrs. W. S. Bartlett, and held in the parlors of Mrs. J. R. Medlock, in Santa Ana. Forty ladies were present. The following officers were elected:

President, Mrs. W. S. Bartlett; Vice-President, Mrs. R. J. Blee; Recording Secretary, Miss A. L. Galloway; Corresponding Secretary, Mrs. E. D. Buss; Treasurer, Mrs. D. F. Pride.

The Year's Work

During the past year five events have added new interest to the life of the Ebell. In November the constitution was amended to admit the teachers of the public schools as associate members upon payment of the annual dues. This membership confers all privileges except voting, holding office or bringing guests. In March, Helen Keller and Mrs. Macy appeared in Santa Ana under the auspices of the Ebell for a matinee and evening lecture. In April, arrangements were completed for the purchase of twenty-five feet adjoining the Ebell lot on French Street. At the May meeting, several amendments were adopted the important ones referring to changing the manner of election to primary election system. In June the Club voted to establish a Lecture Fund in order to be able to bring first-class entertainments to the city, giving non-members the benefit of these by having open meetings to which a small admission fee will be charged. The Lecture Fund was started by a donation of \$25.00 from Mr. J. A. Turner of the Farmers and Merchants National Bank.

At the April meeting a luncheon was served, with the Entertainment Committee in charge, followed by election of officers and a short program.

The Club was honored by the fact that our president, Mrs. A. J. Lawton, was elected president of the Southern District at the meeting at San Diego. The hospitality of a number of Clubs in surrounding towns has been enjoyed, at their Hospitality and Reciprocity Days.

The Day Nursery received, towards its support, \$200 in addition to regular \$2 per member.

During the year twenty-five regular and ten associate members joined making the present membership of the Club 358. Four new sections have been organized, making a total of seventeen, with a membership of about 285.

Ebell Day Nursery

More and more is the Ebell Day Nursery demonstrating its usefulness as an institution in Santa Ana. There has been a marked increase in attendance during the past year, as many as twenty-nine children being cared for one day during the summer. On seeing the happy, contented faces of the children at the nursery, one has no doubt that they are well cared for, and that the Matron, Mrs. A. A. Jones, possesses unusual qualities for her position as Matron and "substitute mother" for her charges.

In addition to its regular work of caring for children, the Nursery has become an employment center. Through the efforts of Mrs. Jones, work has been obtained for more women this year than last. Not only is this an aid to those wanting work, but the Ebell members themselves are able more easily to obtain competent help.

That the Ebell is truly back of the Day Nursery was evidenced by the strong vote cast to continue it under the auspices of the society, and two dollars a year per member was permanently apportioned to this work. Any other necessary funds are to be raised under the management of the Day Nursery Committee.
